Some suggestions for your prayers this week:

14/02	Are your roots deep in the refreshing of God? Is the Holy Spirit in your life building your confidence in God?
15/02	Pray for Property Committee and those who deal with building and security matters. Pray that our buildings are a place where anyone is safe
16/02	Pray for our Police and other emergency services; for their protection and refreshing
17/02	Pray for those who struggle with confidence - in themselves or others
18/02	Pray for all the older people in our congregation and who we are in touch with. May the older be a blessing to the younger, and the younger a blessing to the older.
19/02	Pray for places in the world where people have lived for years in situations of tension or warfare
20/02	Pray for your “frontlines” - where you meet people outside of church - where your life and integrity can be a witness to Jesus and the Gospel message
