Some suggestions for your prayers this week:

21/03	Reflect on God's gifts of grace and love - free to all who ask!
22/03	Pray for the congregation associated with AAURC - that we will all be on a journey with God as we move towards Easter
23/03	It often seems that the world is in the grip of despots and dictators, evil rulers and authorities. Pray that God will bring them low and raise up instead men of peace and goodwill
24/03	Pray for suffering refugees and those seeking to help them
25/03	Pray for new people to come to our events and services each week, and that some will find here a route to a living faith in God
26/03	Pray that world leaders and governments will be prepared to make long term decisions in the fight against climate change
27/03	Pray for your friends and acquaintances who do not know God, and for an opportunity to share your faith with them
