If you would like the church to pray for a concern you have, please speak to the Minister or member of the leadership team

Some suggestions for your prayers this week:

08/08	Ponder this: if God is the Lord of all creation, (the cattle on a thousand hills) what can he need from us? To walk humbly day by day with Him; to live and act with integrity and mercy. [see Micah 6 vv.6-8]
09/08	Pray for the worshipping community of AAURC - that wherever they are this week (work, holiday, recovering from illness, supporting family and others) they will be witnesses to what God means to them
10/08	Pray for our national and local leaders facing financial challenges we have not seen for over 30 years
11/08	Pray for individuals and families worrying about facing financial challenges we have not seen for over 30 years
12/08	Pray that we will all be generous givers, because God has given generously to us
13/08	Pray that we will be much more concerned about countries facing drought and starvation than the effect on us of a hosepipe ban
14/08	Pray that our worship today - and that of other local and URC churches - will be overflowing with the presence and power of the Holy Spirit
